RE: Docket No. 2010-181-E - Application of Lockhart Power Company for Adjustment of Rates and Charges

Dear Mr. O'Conner:

Your written protest in the above-referenced proceeding has been received by this office. Unfortunately, we are having to return your protest pursuant to the Commission's Rules. A Protest is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. Your protest was filed on behalf of a limited liability company, Gestamp South Carolina, LLC. Under Commission rules, a limited liability company must be represented by an attorney admitted to practice law in South Carolina, or an attorney possessing a Limited Certificate of Admission pursuant to Rule 405, SCACR. Any protest may be filed on behalf of an individual, or, if filed on behalf of a limited liability corporation, it must be filed by an attorney as described above. Certainly, an attorney could file the protest on behalf of the company, and accompany the proposed Company witnesses to the hearing and present the testimony of individual Company officials before the Commission in the public portion of the hearing.

The main hearing in this matter has been scheduled before the Commission in the Commission's Hearing Room, 101 Executive Center Drive, Saluda Building, Columbia, South Carolina on Monday, June 27, 2011 at 10:30 a.m. However, an evening public hearing will also be held in Union, South Carolina at the Union City Hall, 101 Sharpe Avenue, Union, S.C. on Tuesday, May 31, 2011 at 6:00 PM.

If you have any questions about your participation in the hearing, please call the Commission at (803) 896-5100.

Sincerely,

F. David Butler
